## **Directions to the Groton Field**

From Rt. 3, take Rt. 40 West (Exit 33) for several miles until you cross the Groton town line. Take a right turn onto Cow Pond Brook Road immediately after crossing into Groton. Follow Cow Pond Brook Road about  $\frac{3}{4}$  mile until reaching a Stop sign at Hoyt's Wharf Road. Turn left onto Hoyt's Wharf Road, and follow for about  $\frac{1}{2}$  mile until you cross a small bridge. After crossing the bridge, turn left onto the dirt road just as Hoyt's Wharf Road bends to the right. In front of you, you will see an open gate with a "No Trespassing" sign, at which point you will keep going. You will shortly pass through another open gate with a sign reading "495<sup>th</sup> Members Can Enter". You will find the field a few hundred yards beyond the second gate on the right side. Cars can be parked on the left side.

**Please drive slowly on the dirt road so as not to create any dust!**
